A complete line of furniture, display tables, and other items is available. Official Drayage Company is Freeman Decorating Company.

4. Space assigned to an Exhibitor may be transferred by the Exhibitor Manager to affect balance against congestion, to avoid confusion in firm names, to solve competitive conditions, or similar reasons. No such transfer will be made without notice to Exhibitor in writing. An Exhibitor may not share or sublet space to another party. One Exhibitor may not exhibit the named “end product” of another Exhibitor without permission of that Exhibitor and the Exhibit Manager in writing.

5. General Regulations: Loud speaking sound displays are prohibited. The Society reserves the right to refuse any exhibit not in good taste or inconsistent with a meeting of this kind. All exhibits, back walls, and decorations will be limited to 8’ in height and not extending more than 2’ from the back wall except actual equipment which in normal operation exceeds this height. Permission to exhibit equipment with abnormal heights must be obtained from the Exhibit Manager. Any large items must be placed in the rear 4’ of the booth.

No exhibit may be dismantled before the specified time, nor may any part of the exhibit or equipment be removed, once it has been set up, without permission of the Exhibit Manager.

10. Due to the tremendous value of exhibits, it is impractical and impossible to insure Exhibitor’s equipment against loss, theft, damage and breakage. Neither the Hotel nor any of its employees, nor representatives, nor any representatives of Society for Integrative and Comparative Biology, nor Burk and Associates Inc., nor any subcontractor will be responsible for any injury, loss or damage to the Exhibitor, the Exhibitor’s employees, or property, however caused. The Exhibitor must also assume responsibility for any accident, injury or property damage to any person viewing his exhibit where such accident, injury or property damage is caused by the negligence of the Exhibitor, his agents or employees. In view of the foregoing, Exhibitors are urged to place “extraterritorial” and other coverage on equipment and exhibits, and arrange for extended public liability insurance with their regular insurance carrier, particularly if they are conducting experiments or demonstrations using heat or high voltage.

11. Society for Integrative and Comparative Biology and the Exhibit Manager for the meeting will cooperate fully, but cannot assume responsibility for damage to Exhibitor’s property, lost shipments either coming in or going out of the premises or for moving costs. 14. Rejected Displays: Unethical conduct or infraction of rules on the part of the Exhibitor or his representatives or both will subject the Exhibitor or his representatives to dismissal from the exhibit area, in which event it is agreed that no refund shall be made and further that no demand for redress will be made by the Exhibitor or his representatives. Alcoholic beverages may not be distributed from any booth, its attendants or company representative.
