Deadline for receipt of these materials is December 11—three weeks prior to the start of the show.

5. Space assigned to an Exhibitor may be transferred by the Exhibit Manager to affect balance against congestion, to avoid confusion in firm names, to solve competitive conditions, or similar reasons. No such transfer will be made without notice to Exhibitor in writing. An Exhibitor may not share or sublet space to another party. One Exhibitor may not exhibit the named "end product" of another Exhibitor without permission of that Exhibitor and the Exhibit Manager in writing.

6. General Regulations: Loud speaking sound displays are prohibited. The Society reserves the right to refuse any exhibit not in good taste or inconsistent with a meeting of this kind. All exhibits, back walls, and decorations will be limited to 8' in height and not extending more than 2' from the back wall except actual equipment which in normal operation exceeds this height. Permission to exhibit equipment with abnormal heights must be obtained from the Exhibit Manager. Any large items must be placed in the rear 4' of the booth.

No exhibitor will be permitted to give away, distribute, or dispose of materials which will pass fire inspection. All exhibit and booth materials, particularly drapes, curtains, table covers, etc. must comply with Federal, State and City Fire Laws, Insurance Underwriter and Convention Center Safety Regulations, and must be flame-proof. All packing containers, excelsior and similar materials are to be removed from the exhibition area upon completion of the booth arrangement. No exhibit may be dismantled before the specified time, nor may any part of the exhibit or equipment be removed, once it has been set up, without permission of the Exhibit Manager.

11. Due to the tremendous value of exhibits, it is impractical and impossible to insure Exhibitor's equipment against loss, theft, damage and breakage. Neither the Convention Center nor any of its employees, nor representatives, nor any representatives of Society for Integrative and Comparative Biology, nor Burk and Associates Inc., nor any subcontractor will be responsible for any injury, loss or damage to the Exhibitor, the Exhibitor's employees or property, however caused. In addition the Exhibitor must assume responsibility for damages to the Convention Center property and indemnify and hold harmless the Convention Center from liability, which might ensue from any cause, whatsoever, including accidents or injuries to Exhibitors, their agents or employees. The Exhibitor must also assume responsibility for any accident, injury or property damage to any person viewing his exhibit where such accident, injury or property damage is caused by the negligence of the Exhibitor, his agents or employees. In view of the foregoing, Exhibitors are urged to place "extraterritorial" and other coverage on equipment and exhibits, and arrange for extended public liability insurance with their regular insurance carrier, particularly if they are conducting experiments or demonstrations using heat or high voltage.

12. Society for Integrative and Comparative Biology and the Exhibit Manager for the meeting will cooperate fully, but cannot assume responsibility for damage to Exhibitor's property, lost shipments either coming in or going out of the premises or for moving costs. Any damage due to inadequately packed property is Exhibitor's own responsibility. If exhibit fails to arrive, Exhibitor will be, nevertheless, responsible for booth rent and no refund will be made. Exhibitors should carry insurance against such risks.

13. Exhibitors wishing to have Hospitality Suites must reserve them through the Exhibit Manager. Such Suites cannot be open during any Meeting or Exhibit Hours and can be open after midnight only with Exhibit Manager's permission.

14. The Exhibit Management will attempt to assist and generally protect Exhibitors, keep them informed and will assume responsibility for its own misconduct and negligence all in good faith.

15. Rejected Displays: Unethical conduct or infracion of rules on the part of the Exhibitor or his representatives will subject the Exhibitor or his representatives to dismissal from the exhibit area, in which event it is agreed that no refund shall be made and further that no demand for redress will be made by the Exhibitor or his representatives. Alcoholic beverages may not be distributed from any booth, its attendees or company representative.

16. Care of Building and Equipment and Safety Precautions: Exhibitors, or their agents, must not injure or deface the walls or floors of the building, the booths, or the equipment in the booths, when such damage appears, the Exhibitor is liable to the owner of the property so damaged.

If booth space is not occupied by 6:00 AM Monday, January 4, 2009, SICB will have right to use such space as it sees fit to eliminate blank spaces in the exhibit area.

19. Amendment to Rules: Any and all matters or questions not specifically covered by the preceding Rules and Regulations shall be subject solely to the discretion of Society for Integrative and Comparative Biology.
