Sessions-Symposia-Social Events

The 2019 Annual Meeting of the Society for Integrative and Comparative Biology (SICB) is an educational and research forum for investigations of biology on a broad comparative scale. The meeting will include many symposia and special programs in addition to hundreds of contributed papers in divisional and topical sessions. Watch the SICB Web site at www.sicb.org for Schedule of Events updates and the posting of abstracts in November, 2018.

- ◆ Public Affairs Committee Workshop
- ◆ TALX (Teaching and Learning Workshop)
- ◆ “Sketchnotes” Workshop
- ◆ Student Support Committee Workshop

Broadening Participation Committee

The Broadening Participation Committee is coordinating a meeting mentorship program, in which junior SICB attendees will be matched to a more experienced student, post-doc or faculty member, who can provide networking opportunities, tips for getting the most out of the meeting, and general career advice. Mentors and mentees will be asked to contact each other before the meeting and to attend several talk/poster sessions or social events together during the meeting. If you are interested in potentially serving as a meeting mentor and/or mentee at the 2019 meeting, please check the appropriate box on the registration form, and we will provide you with additional information by e-mail.

Again this Year!

SICB Meeting will end with the Moore Lecture Monday 7 January from 3:00-4:00 pm followed by a wine & cheese reception from 4:00-6:00 pm

Training Session and First-Timer's Orientation

Thursday 3 January 2019, 5:30 pm. This session will include training for students who will be supporting the sessions in exchange for Charlotte Mangum funding (mandatory for these recipients). It will also cover how to get the most out of a SICB meeting.

- ◆ How to find everyone at the meetings
- ◆ How to approach a “big wig”
- ◆ How to enter or leave a room/move between rooms
- ◆ How to plan your meeting
- ◆ How to get involved in SICB or attend business meetings and the importance of attending the meetings (exposure, recognition). This will be followed by a lightning round of first timers' questions.
